STUDENT LIFE AND CAMPUS CONTRIBUTION (CVEC)

Before administrative registration at university, you must pay the « CVEC » tax

The Student Life and Campus Contribution (CVEC) was established by the law relating to the guidance and success of students (The ORE law of March 8, 2018 relating to the Orientation and Success of Students establishes a Student and Campus Life Contribution (CVEC) from the start of the 2018 school year).

It is a **tax** and it is designed to promote the reception and social, health, cultural and sports support of students and to support prevention and health education actions.

Who has to do it ?

All students in **initial training** and **apprenticeship** must pay this fee **BEFORE proceeding with any administrative registration** at the University Grenoble Alpes.

The CVEC certificate is **nominative** and **must be renewed each new academic year** (the academic year of issue is indicated on the certificate). It is however valid for **several establishments** in the event of multiple registrations of the student during the academic year (the same certificate has to be used for each registration of the student or in the event of a change of establishment in the current year).

How much does it cost ?

The CVEC certificate is chargeable or free according to the social status of each student but it is **required** anyway.

For 2026-2027, the amount of the CVEC is **€ 105.**

How do you obtain it ?

The CVEC application and payment is made on a site **managed by the CROUS**:

1. You must go on this website : https://cvec.etudiant.gouv.fr/
2. Then you have to go on the section « *Get your certificate* » and then select the button « *Get my certificate – Current academic year 2026-2027*».
   If you already have an account, use the link « *My Student Services* » and log in with your usual credentials. Otherwise, create yourself an account by using the link « *registration form* » at the bottom of the page.
3. Complete the fields indicated and do not forget to enter your **INE** if you have one.
4. Once the request or payment has been made, the CROUS issues you a certificate with a code made up of 12 letters and numbers (3 letters, 1 number, 6 letters et 2 numbers).
5. This code will have to be filled in your registration (online or on the form)

⚠ **Even if you are in a situation that results in payment waiver, you must apply for a certificate on this site.**
